

Dr. James Wilson

Research Scientist

Email: james.wilson@email.com | Phone: (555) 345-6789

Location: Boston, MA | ResearchGate: researchgate.net/profile/jameswilson

PROFESSIONAL SUMMARY

Research Scientist with 8 years of experience in academic research, statistical analysis, and scientific computing. Strong background in R, Python, and advanced statistical methods. Looking to transition into industry data science.

TECHNICAL SKILLS

- Programming Languages: R, Python, MATLAB, SAS
- Statistical Analysis: Advanced Statistics, Bayesian Methods, Time Series
- Research: Experimental Design, Hypothesis Testing, Meta-Analysis
- Visualization: ggplot2, matplotlib, Tableau
- Databases: SQL, PostgreSQL
- Other: LaTeX, Git, Jupyter
- Software: SPSS, Stata, Minitab

PROFESSIONAL EXPERIENCE

Research Scientist | Harvard Medical School | 2019 - Present

- Conducted statistical analysis for medical research studies
- Developed novel statistical methods for clinical trials
- Published 12 peer-reviewed papers in top medical journals
- Collaborated with interdisciplinary research teams
- Mentored graduate students and postdocs

Postdoctoral Researcher | MIT | 2017 - 2019

- Performed advanced statistical analysis for engineering research
- Developed machine learning models for predictive analytics
- Used Python and R for data analysis and visualization
- Collaborated with industry partners on applied research
- Published 8 research papers in scientific journals

Research Assistant | Stanford University | 2015 - 2017

- Assisted in statistical analysis for psychology research
- Used R and SPSS for data analysis and visualization
- Gained experience with experimental design and hypothesis testing

- Contributed to multiple research publications

EDUCATION

Ph.D. in Statistics

Stanford University | 2011 - 2015

Dissertation: "Bayesian Methods for Clinical Trial Analysis"

Master of Science in Applied Statistics

University of California, Berkeley | 2009 - 2011

Bachelor of Science in Mathematics

University of California, Berkeley | 2005 - 2009

GPA: 3.8/4.0

PUBLICATIONS

- "Bayesian Analysis in Clinical Trials" - Journal of the American Statistical Association
- "Machine Learning for Medical Diagnosis" - Nature Medicine
- "Statistical Methods for Big Data" - Journal of Computational Statistics

CERTIFICATIONS

- Certified Statistical Analyst (CSA)
- ***R Programming Certification***
- Python for Data Science Certificate
